WARNINGS & SAFETY INSTRUCTIONS

Safety instructions

This manual helps you to familiarize yourself with the operation of the product. Keep it so that you can refer to it if needed..

- To prevent the risk of fire or electric shock, do not expose the keyboard to direct sunlight or in a humid place.
- Never immerse the keyboard in water or any other liquid..
- Do not insert other objects into the keyboard.
- Handle the keyboard with care. A blow, a shock, or a fall, even from a low height, can damage it.
- This product is not a toy. Keep it out of the reach of children. Supervise children to make sure they do not play with the device.
- Do not attempt to disassemble or reassemble your keyboard.
- Do not use any cleaning products containing alcohol, ammonia, benzene or abrasive substances.
- If cleaning is necessary, use a soft cloth, dampening it with a small amount of water or water with mild soap if necessary.

Warning: CANS syndrome

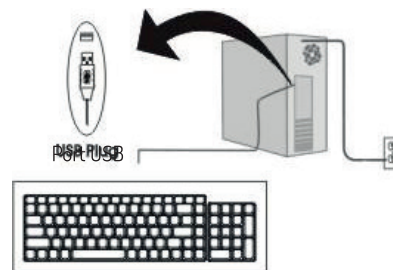

CANS means « Complaints of Arms, Neck and Shoulders». The syndrome appears following small movements repeating continuously. Typical symptoms are pain in the fingers or the nape of the neck. In prevention, we advise you to:

- Organize your workstation ergonomically.
- Position the keyboard and the mouse so that your arms and wrists lie laterally with respect to the body and are extended.
- Take several short breaks, if necessary accompanied by stretching exercises.
- Change your body attitude often.

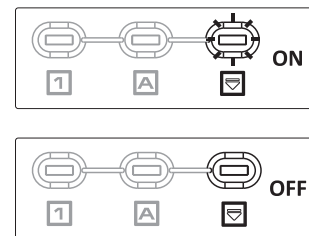

PRODUCT USE

KEYBOARD INSTALLATION

- Turn on your computer.
- Plug the USB cable into a free USB port on your computer.
- The keyboard will be automatically installed on your computer and is ready to use.

Using the key «Arrêt défil*», you can activate / deactivate the color backlighting of the keyboard.

Directive 2012 / 19 / EU
Correct disposal of this product

Electronic waste should not be thrown away with household waste. Please recycle them to your authorized agency and check the recycling advice with the relevant local authorities.

Warranty

Products are guaranteed against any failure from manufacturing defects. This warranty does not cover normal wear or tear, or damage caused by improper use, keep your invoice stapled to the user manual.
